

C34 COCAINE Testing Wipes

Our cocaine detection safety wipes are a quick and easy way to instantly test for the presence of cocaine. Simply wipe the folded towelette over the suspicious substance and see instant results. The pad will change to a light blue color if cocaine is detected, indicating a positive test result. These wipes are an essential tool for anyone looking to test for cocaine in any form in a safe and reliable manner. They are compact and easy to carry, making them perfect for use on the go. Whether you're a concerned parent, a law enforcement officer, or just want to ensure the safety of your surroundings, these cocaine testing wipes are an excellent choice.
