## SUBZERO™ ULTIMATE COLD WEATHER GLOVES

Item: DZ19

The maximum cold-weather glove. A unique multi-layer system guaranteed to keep your hands warm to subzero temperatures with premium ultra soft leather and a nubuck suede leather back. Water resistant backs for rain.

## STEALTH X™ NEOPRENE GLOVES WITH THINSULATE® LINERS

Item: DNS860L

The most popular year-round search and duty gloves. Whether shooting, searching a suspect, or driving these gloves feel second-skin thin. Featuring a highly flexible neoprene, matched with the extreme sensitivity of our unique GripSkin™ digital print palms. The Thinsulate® and HiPora® liners offer extreme cold and wet weather protection.
